145 sq.m | : 2

In Via Galileo Galilei in Pero, we rent bright laboratories / offices of approx. Approximately 145, consisting of an open space with two bathrooms and located in a 1960s building. The office is located in a two-storey building and is on the first and last floor, without a lift. The newly renovated property is available immediately. It is equipped with independent heating and air conditioning, with convactor heaters. The building is about 1 km on foot from the MM1 Mulino Dorino stop and is conveniently connected by bus. In the same building there is, on the ground floor, a comfortable snack bar and bakery, very useful for those who work on site and in the area.
