Città studi, Via Sismondi, 300 meters from the MM4 Susa stop, we offer for sale, with exclusive assignment, a bright and spacious apartment of approx. 160, inserted in an elegant 1960s context with concierge service, double lifts, double internal exposure, one of which on the Lombardo tennis club. The elegant house, which originally consisted of 3 bedrooms, following a recent renovation, has an original comfortable entrance, a double living room which, with its large windows overlooking a small terrace, allows natural light to enter and illuminate the rooms, an adjacent living room/study (possible third bedroom with the simple reopening and closing of two doors), eat-in kitchen furnished with a designer kitchen block, peninsula, service bathroom with laundry-closet. The sleeping area currently has 2 large bedrooms and is equipped with a large walk-in closet/wardrobe which leads to the bathroom with generous dimensions and two windows (convertible into two bathrooms), as well as a closet/shoe rack. The apartment has a spacious cellar in the basement, essential for storing objects and equipment.

If you are interested in car parking, we can add to the sale a garage in nearby Viale Campania, a 5 minute walk away, at a price of €50,000.00.
