At Viale Suzzani 92, in the heart of the Niguarda district, we offer for sale a fully renovated apartment on the third floor of a well-maintained building. The location is ideal for those seeking convenience and amenities right on their doorstep: the Ca' Granda M5 purple metro station is within easy walking distance, as are surface transport links that quickly connect to the city center and all of Milan. Nearby are Parco Nord, perfect for walks and outdoor sports, Niguarda Hospital, Bicocca University, supermarkets, shops, and restaurants: a vibrant and functional neighborhood, suitable for both families and those working in the city.

The apartment has been carefully and tastefully renovated and is ready to move into without any renovations. The entrance opens onto a bright living room with an open kitchen, a welcoming and well-organized space that opens onto a balcony ideal for relaxing. The very spacious bedroom offers all the comforts you need, while the bathroom with window features modern and attractive finishes. The property also includes a convenient internal storage room and a cellar in the basement, ideal for those needing additional space.
