Porta Nuova - in Princess Clotilde Square

In the heart of contemporary Milan, between Piazza Gae Aulenti and Piazza della Repubblica, we offer for rent a charming renovated apartment, located in a period building with elevator on Via Vespucci.

The property, located on a high floor, is very bright and has a rational distribution of space: it comprises an entrance hall, an open-plan kitchen, a large living room with a balcony, two large bedrooms, two walk-in closets, and two newly renovated bathrooms with showers. The rational layout of the interior spaces, without wasting a single square meter, enhances every room, creating modern, functional, and move-in-ready spaces. The bathrooms are newly renovated, as is the air conditioning throughout the home.

Independent methane heating ensures comfort and efficiency and significant savings on running costs.

An unparalleled location, Porta Nuova is the symbol of Milan's forward-looking approach: design, architecture, and lifestyle come together in one of the city's most sought-after neighborhoods. Just steps from Corso Como, Brera, and Corso Garibaldi, with the Garibaldi Station and Metro station right on your doorstep.
