Renovated two-room apartment with a terrace in the heart of San Siro

In the prestigious and green San Siro neighborhood, on Via Tesio, just steps from the MM5 San Siro station, we offer for sale an elegant two-room apartment, a particularly rare and sought-after property type in an area characterized primarily by large apartments.

The property is located in an exclusive and quiet residential complex with double access from Via Tesio and Via Pinerolo, surrounded by greenery and equipped with a full-day concierge service.

Located on the first floor, the apartment enjoys a pleasant view of the magnificent communal garden, guaranteeing an atmosphere of absolute peace and privacy.

Recently renovated with taste and meticulous attention to detail, the apartment comprises a bright living room with a fully equipped open-plan kitchen, overlooking a comfortable terrace ideal for relaxing outdoors, a spacious double bedroom, and an elegant bathroom with a window and shower.

The property includes a cellar. A garage is also available within the condominium, available for separate purchase.

The location is one of the property's main strengths: the San Siro neighborhood is renowned for its abundance of parks and green spaces, its high quality of life, and excellent connections to the city center thanks to the MM5 subway line and numerous surface transport options. Its proximity to major ring roads and highways also makes getting around particularly quick and easy.

An ideal solution for those seeking a first home in an elegant and well-served setting, as well as for those seeking a quality investment in one of Milan's most sought-after residential areas.
